

Show the benefits of green infrastructure.

Address the issues and
barriers to implementing
green infrastructure.

Design
practices
so that
hydrologic and
water quality
monitoring is
possible.

Find opportunities to
demonstrate promising
practices.

Meeting topic:
Making Green Infrastructure Possible
Friday April 30, 2010

Join local government and other stormwater professionals for information focused to help you
meet your stormwater program goals.

Reservations required. Cost is \$18.00/person and includes refreshments and lunch.

Proceeds support educational efforts by the Ohio Stormwater Association (a division of the Water Management Association of Ohio).
